Do you dream of becoming a nurse but hold a degree in another area? The demand for professional nurses around the country has never been higher, and while many people desire the personal rewards of a health care career, the fact is that earning the necessary credentials can be time consuming....	This program is designed for students wanting to complete a one semester Certificate in Nurse Aide and enter the workforce. Students explore patient care procedures, skills, regulations and ethical issues. Learn the entry-level skills required for a career as a CNA in a long-term care facility, acute care facility or a home health care agency.
